Foreword

The Valhalla Yearbook Staff is happy to present the VALHALLA for 1970. We hope you will enjoy the traditional picture of high school life, and the candid sidelights of the year's activities.

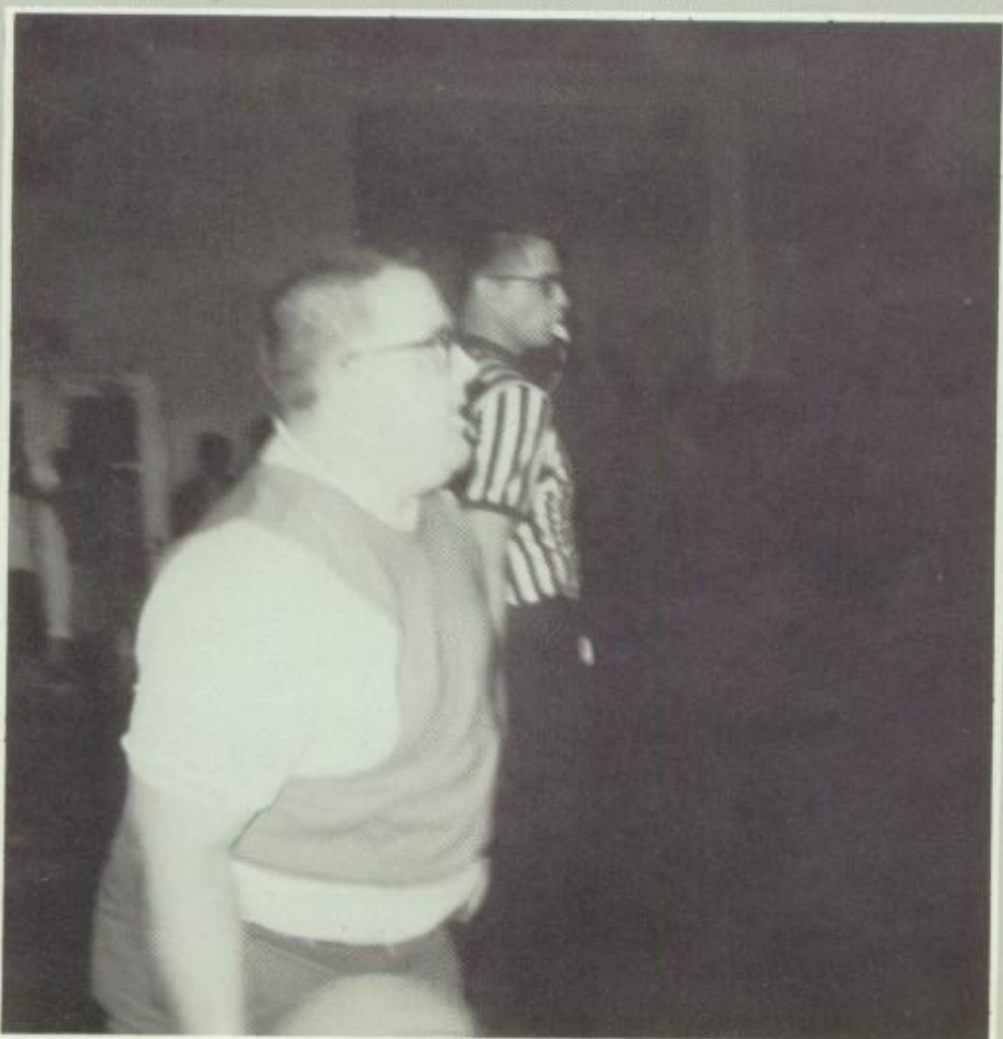

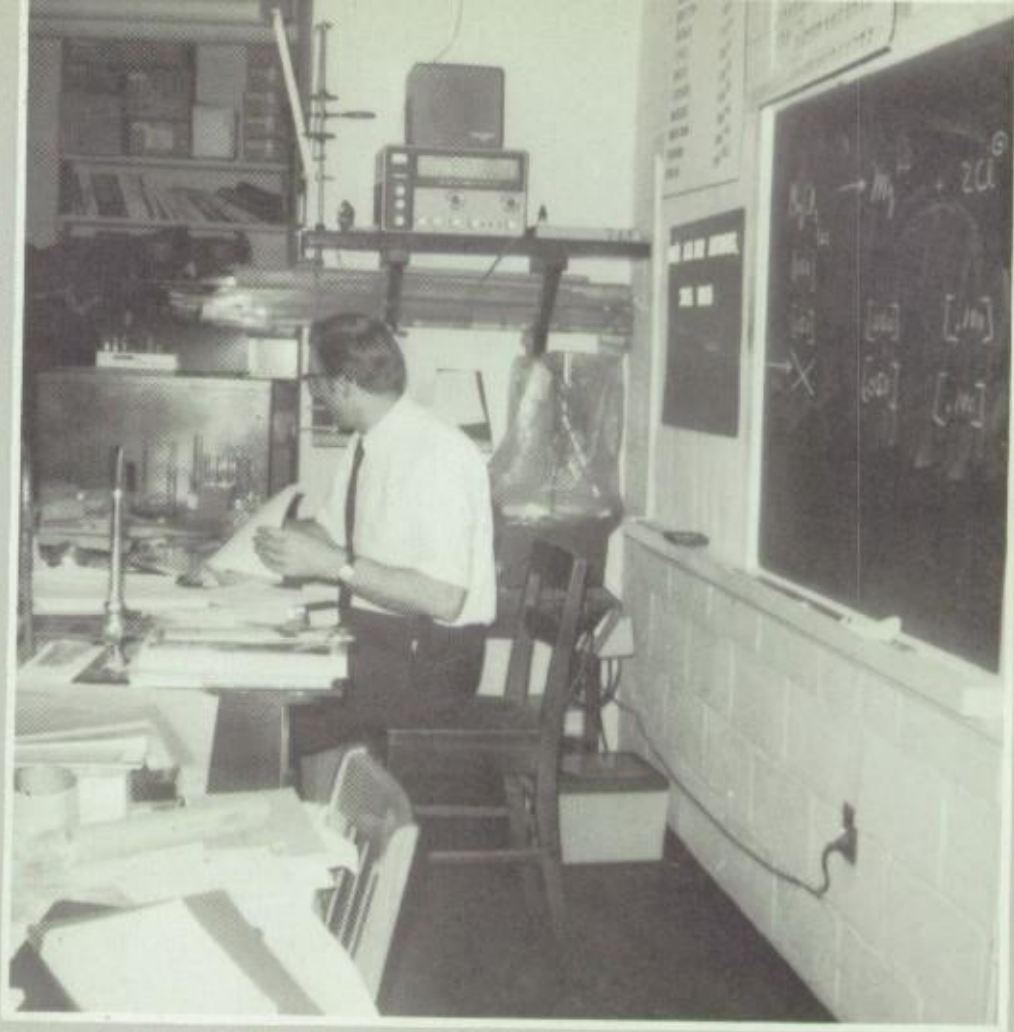

This yearbook marks the advent of a new era in education in the Apollo-Ridge School District. We hope that this first yearbook from our new school will keep alive the memory of our first year here.

The dedication of the VALHALLA is to its first graduating class, the "Class of '70". As the first to graduate from Apollo-Ridge, and the first graduates of a new decade, their job of molding two diverse student bodies into one has been difficult. They have managed their job with optimism and perserverance. As leaders of the school the Senior Class has sponsored many worthwhile activities, such as the Powder Puff Football Game, and the play *1984*, which have filled the year with many enjoyable moments. We began the year with two student bodies; we end the year with one. The Senior Class alone did not bring this about, but they were instrumental in doing so. Students, faculty, administration, everyone who knew the A-R Class of 1970 will remember them as not always good and not always right, but always willing.

Hawaiian Paradise

Our Junior-Senior Prom was held on May 15, 1970, with Hawaiian Paradise as the theme. The Hawaiian theme was carried out with seascape murals on the wall, palm trees, and tropical gardens. We will always remember the fun we had decorating for it, and the dance itself.

George Orwell's play "1984", which was based on the novel by the same name, was presented by the Senior Class of 1970 on April 2 and 3 at 8:30 p.m. at the Apollo-Ridge Junior High School.

The Senior Class co-sponsor, Mr. Andrew Schreffler, directed the play along with Susan Cadwell, Student Director; Debbie Duff, Producer; and Rob Rau, Technical Director.

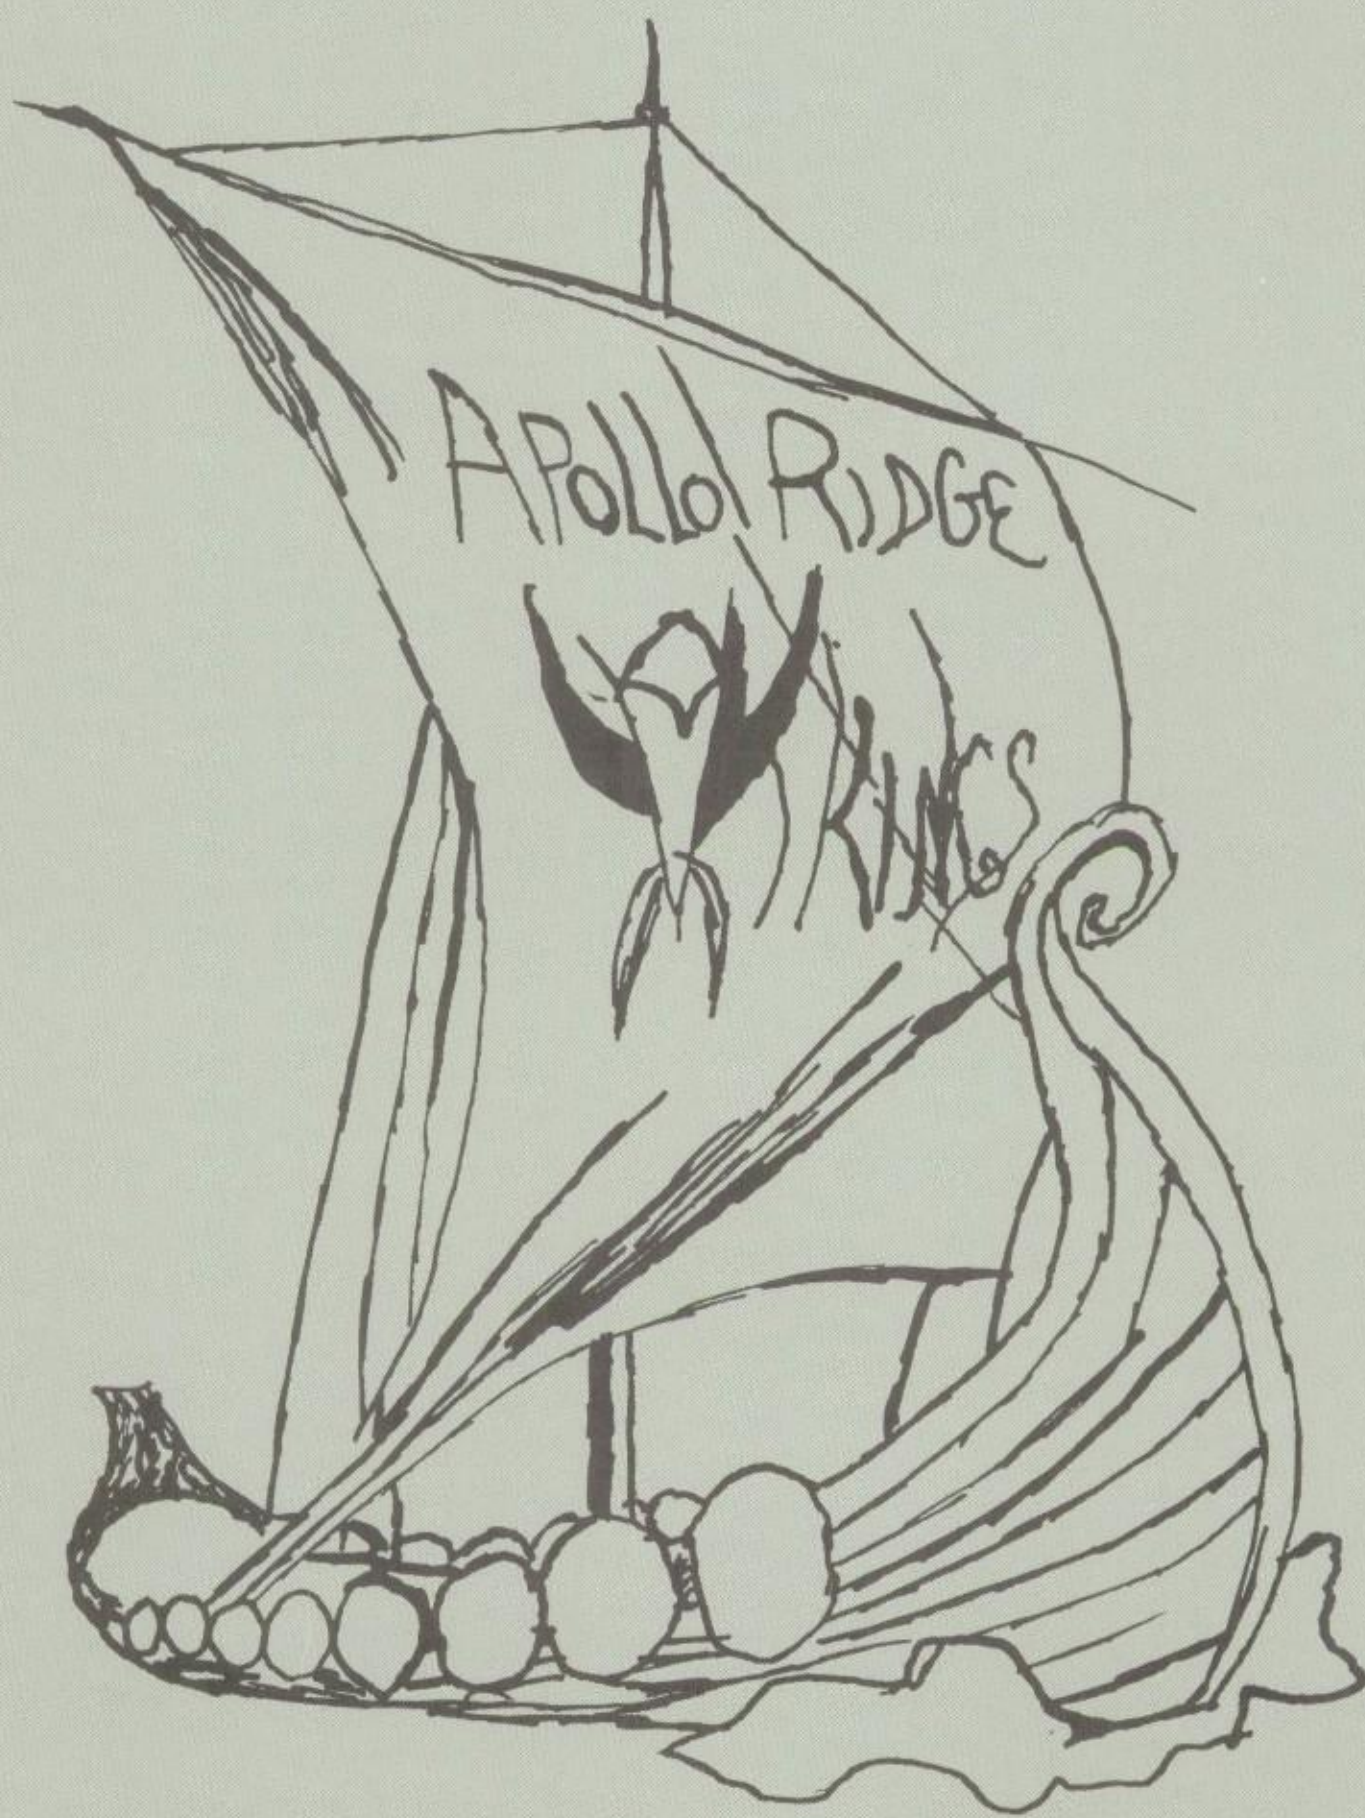

This play was about a society of the future where privacy was almost abolished. Everyone was to be devoted to Big Brother. Love was not permitted, and was a crime for which one would receive severe punishment. Two of the characters in the play, Winston and Julia, defy the party by becoming lovers, and finally getting married. In the end, both Winston and Julia, are reconditioned to love Big Brother, and both become devoted party members again.

ORGANIZATIONS

Apollo-Ridge

The 1969-70 marching "Viking" band, under the direction of Mr. Thomas Kennedy was actually originated during the summer band camp. With the merger of the two schools, the band faced many new obstacles before mastering its purpose of representing the Apollo-Ridge High School. Relying chiefly on the success of three weeks of summer practice, plus four Tuesday evening rehearsals, the band courageously met the initial challenge at the Indiana County Fair on August 26, 1969. From this first performance, it was evident that the band could hold its own in competitive outings.

With the aid of our competent drum majorette, feature twirler, majorettes, and color guard, the band's next performances were to be the traditional half-time football shows. This year the band was also responsible for introducing the new alma mater to the student body. They participated in the annual "Parade of Bands" at Highlands and the Halloween Parade in Apollo. Following the marching season, the band immediately started to work on preparing their spring concert.

Viking Band

The band undoubtedly has done much to not only help bring the two schools together but also to hold them together by spreading enthusiasm throughout the entire student body. For this, and many other reasons, we not only commend the band and their director but indeed thank them for a job well done!!!

Prop Crew

Majorettes

Autumn brings football and along with this comes the sixteen highsteppers of A-R. With Gloria Chemelli as head majorette, the girls began practice two weeks before school to perfect various dance and twirling routines to entertain the audience at the half-time shows. These routines were taught to the majorettes by Mrs. Gloria Kennedy, our band director's wife.

Besides marching at football games, our majorettes were kept busy marching at pep assemblies, the Apollo Halloween Parade, and the Highland Band Festival.

We wish to salute you for a job well done!

Color Guard

Leading our band onto the football field during halftime, the Apollo-Ridge Color Guard provided a snappy addition to the band. This disciplined unit was headed by Sergeant Michele Rebyanski. This year saw colorful new uniforms consisting of gold vests, white blouses, and royal blue skirts. Flag drills and rifle drills emblazoned this year's halftime programs.

Along with participating at football games, the Color Guard performed at the Apollo Halloween Parade, the Indiana County Fair, the Highlands Band Festival, and several pep assemblies.

These girls worked hard this year during and after school and we, the students, thank them very much.

A band just isn't complete without a drum majorette, and taking care of this job for Apollo-Ridge was Mary Jo Bertolino. Mary Jo lead our band to a successful season with her clever and unique routines.

Along with our drum majorette comes our strutting feature twirler, Karen McKinney. Karen's outstanding performances consisted of percision twirling routines, which required many hours of hard work.

We will never forget Mary Jo and Karen for their great job!

Co-Captains

Both football and basketball keep these enthusiastic girls busy. Throughout the school year the cheerleaders work hard at building school spirit, by such activities as making bulletin boards, signs for the halls and pep busses, preparing pep rallies and sponsoring pep busses.

Under the guidance of Miss Rebecca Coulter, the girls practiced diligently two weeks prior to the opening of school. They continue this practice weekly throughout the school year. Their money-making projects included selling candy bars and student megaphones. This money helped to purchase uniforms and pom-poms in the new school colors.

The Varsity Squad also attends an annual cheering competition in which at least ten other schools take part. In this year's competition Apollo-Ridge took 4th place. The cheerleaders deserve a lot of credit for their determination and hard work in promoting school spirit in the student body so that honor might be brought to Apollo-Ridge.

New and interesting ideas blended with basic traditions are the ingredients that went into this yearbook. Add a few hilarious moments from our school year, plus the solemn impressiveness of graduation, and stir well with a hard-working staff of writers, artists, layout workers, businessmen, photographers, and Seniors who helped to finance it.

Let the ideas simmer and sprinkle with photographs of friends, teachers, sports, and activities. The final product is one that we are proud of and hope that you will enjoy—the Valhalla for 1970.

Library Club

Today there is a great shortage of librarians. At Apollo-Ridge this problem has been solved by the many student librarians. These students check out books, file cards and magazines, and help with the bulletin boards. The members give up their free periods to serve the school in this way.

The club, sponsored by Miss Schmid, has other activities besides taking care of the library. Paperback books and used book sales are money-raising projects. This year the club made a tour of Carnegie Library in Pittsburgh.

Sportsman Club

The Apollo-Ridge Sportsman Club, sponsored by Mr. Speedy, is a popular club with all the hunters and fishermen of the school. In the spring the members stock streams with fish. In the winter, the club holds a buck pool. The club attempts to expose its members to the wonders of the outdoors.

Athletic ability, sportsmanship, and character are some of the qualities that members of the Apollo-Ridge Varsity Club possess. To become a member of the elite club, a boy must earn a varsity letter in football, baseball, track, basketball, or cross country.

The club had many money-raising projects. The members sold sweatshirts, and ads to local merchants for the football line-ups. They also had a tag day. A big money-maker was the Varsity-Faculty Basketball game, a highlight of the basketball season. All proceeds from their projects are used for the purchase of varsity club jackets.

The club is sponsored by our football and basketball coach Mr. Dan Sekeres.

Future Homemakers of America

The Apollo-Ridge F.H.A. is an active, working club with local, state, and national affiliation. The objective of the club for the 1969-70 school year is "to help youth understand the concerns of today's society; accept the challenge, and to make decisions for world problems.

The girls try to follow state and national projects of work. Some of the members are now working on Junior Degree of Achievement and Chapter Degrees. The girls, and their sponsor, Mrs. Wetzel, the home economics teacher, had a Christmas party and a spring field trip to Pittsburgh.

The Isabelle F. Henry Future Teachers of America Club of Apollo-Ridge High School, sponsored by Mrs. Virginia P. Carey, tries to give its members a complete picture of the job of the modern teacher and its requirements. Through making and giving tests, checking papers, making lesson plans, and actual classroom teaching, some of the aspects of teaching are presented to the members.

Some of the activities that the club members participated in included a Christmas tea, visiting college campuses, and an induction ceremony for officers. We hope that future F.T.A. clubs are as industrious and successful as the 1969-70 club.

Underclassmen

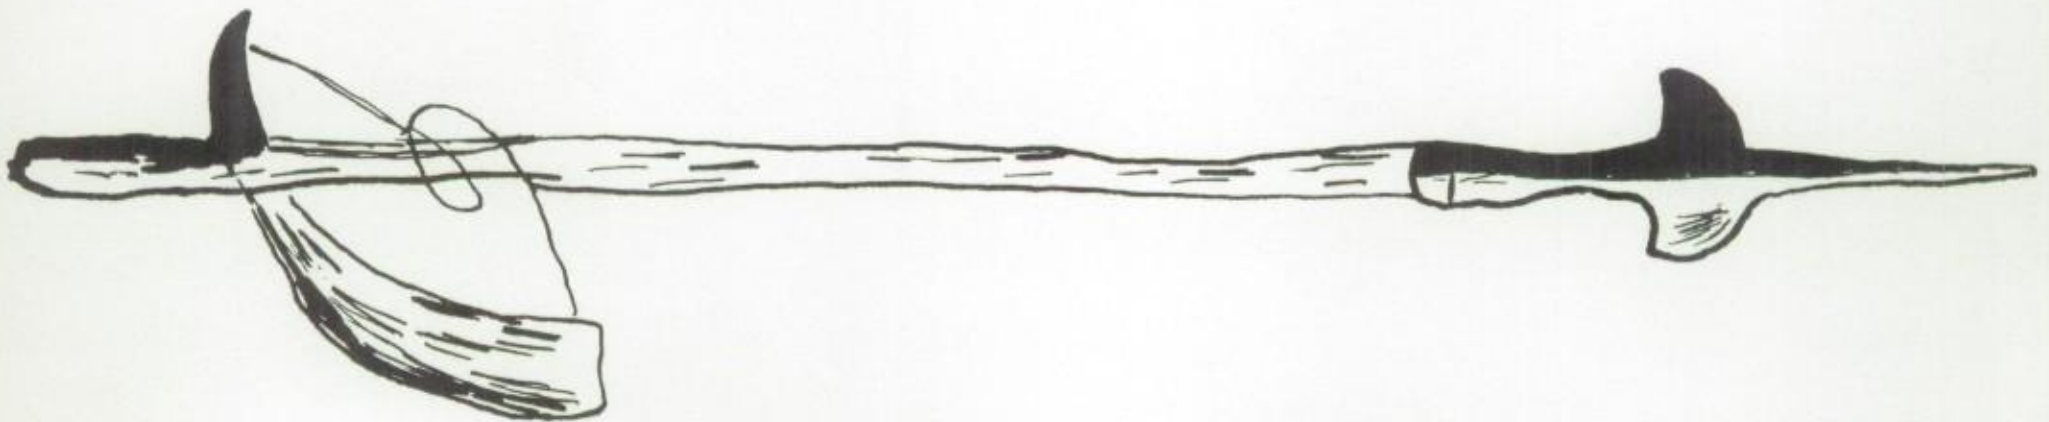

Broadcasting Club

The cheerful voices heard over the public address system in the morning were members of the Broadcasting Club. They have had the job of presenting the morning exercises, which consist of the Star Spangled Banner, the Pledge of Allegiance, and giving the announcements for the day. The club members also gather, edit, and present a radio program called Dateline Education.

On Dateline Education, news of the Apollo-Ridge School District was presented to the listening audience of WAVL, Apollo. Linda Kessler, as Hostess, presents the Friday radio program. Once a month Lee Whitlinger took the news of Apollo-Ridge Schools and presented it on WKPA in New Kensington.

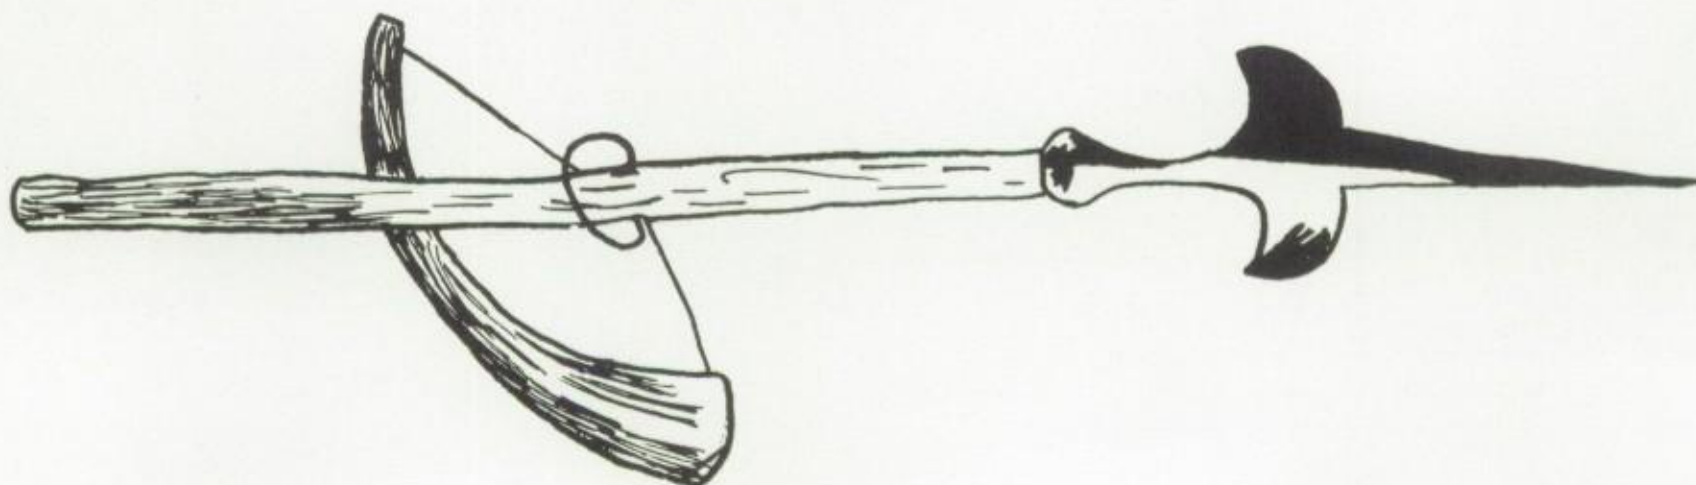

This club, sponsored by Mrs. Carey, has had another successful year.

Student Council

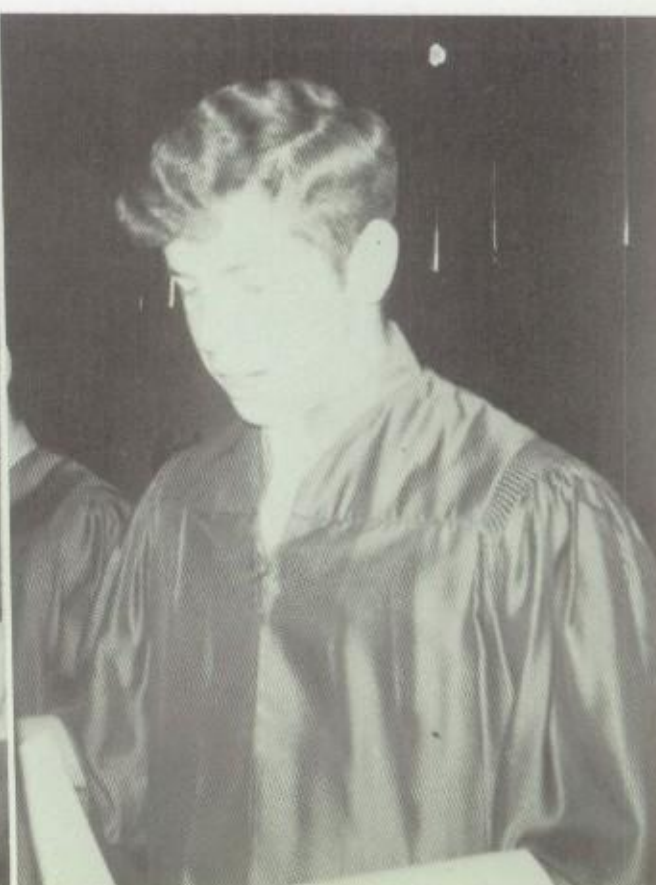

Two students are elected by each home room to represent them in the council. These students, under the direction of Mrs. Stella Chero, Mr. Eugene Sutton and Mr. Norman Lewandowski, planned various school activities such as the Gym Show and a fund raising drive for Children's Hospital. The Student Council also sponsored a Grievance Committee where students could air their problems. *A Student Handbook* was also published under the direction of the Council. The officers were: President, Carl Toland; Vice President, Broach Naylor; Secretary, Debbie Stefaniak; Treasurer, Jeff Kuhns.

National Honor Society

Chosen on the basis of scholarship, leadership, character, and service, ten percent of the senior class and five percent of the junior class are inducted each year. Selections are made by the faculty; other requirements are that the student have a B average or better in all subjects and be active in school organizations. The officers are: President, Paul Columbus; Vice-President, Paula Stringer; Secretary, Eleanor Vellesig; Treasurer, Gaylene Kennedy.

Future Farmers of America

The Future Farmers of America, better known as the FFA, is an intra-curricular activity having its roots in a definite part of the school curriculum, vocational agriculture. Through the club, classroom knowledge is put into practical application by student ownership of agricultural projects and work experience in programs for earning while learning.

The club is sponsored by Mr. George Metzgar and Mr. Wenroy Smith. This supervision together with the fine leadership of the club officers make a very active organization.

The primary aim of the FFA is the development of agricultural leadership, cooperation and citizenship. Other specific purposes include improvement of scholarship and rural activities and an encouragement of members to improve their farms and develop their potential. By creating interest in the choice of agricultural occupations it provides the assurance that there is a great challenge in the selection.

The FFA members has a long list of activities in which they participate. An all day field trip is scheduled each fall to a related activity. Members participate in the Pennsylvania Game Commission conservation and shrub planting program each year. Three days are spent at Penn State University for FFA Week contests. They have a three day trip to the annual Pennsylvania Farm Show. They participate in an all day county contest each spring in selected areas of instruction. Delegates are sent to the National Convention at Kansas City, Missouri.

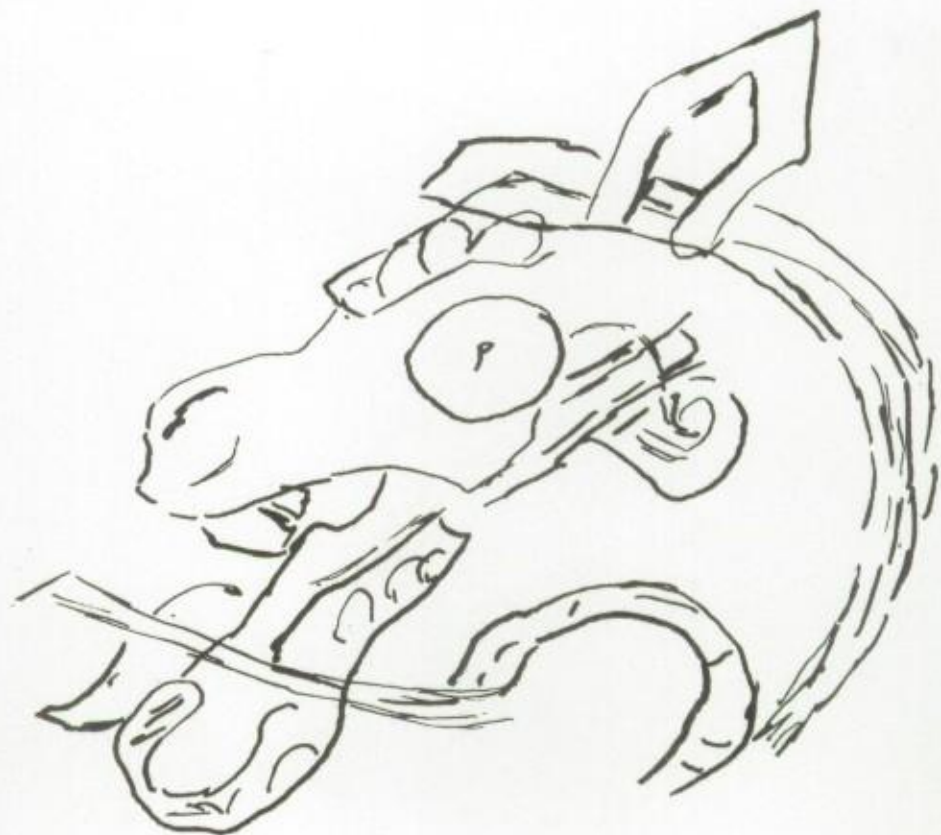

German Club

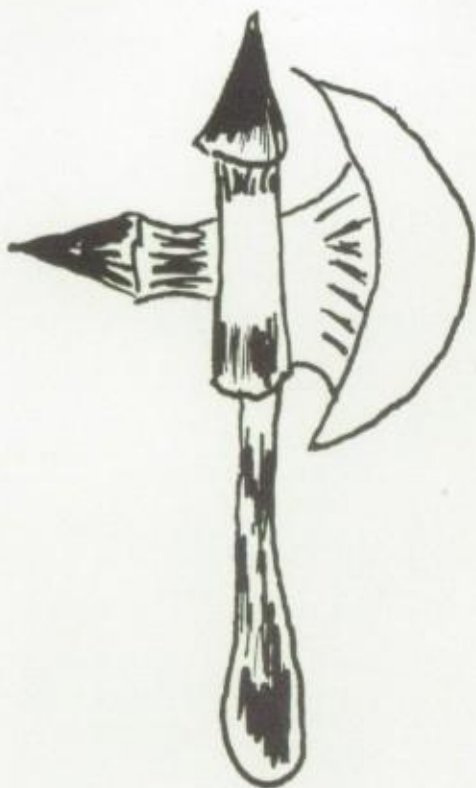

GUTEN TAG!

The purpose of the German Club, sponsored by Mr. Joseph Zavada, is to further the member's interest in the cultural events of Germany. The club has social aspects, as well as, educational ones. Through the year the members celebrated different German festivals along with holding their annual Christmas party.

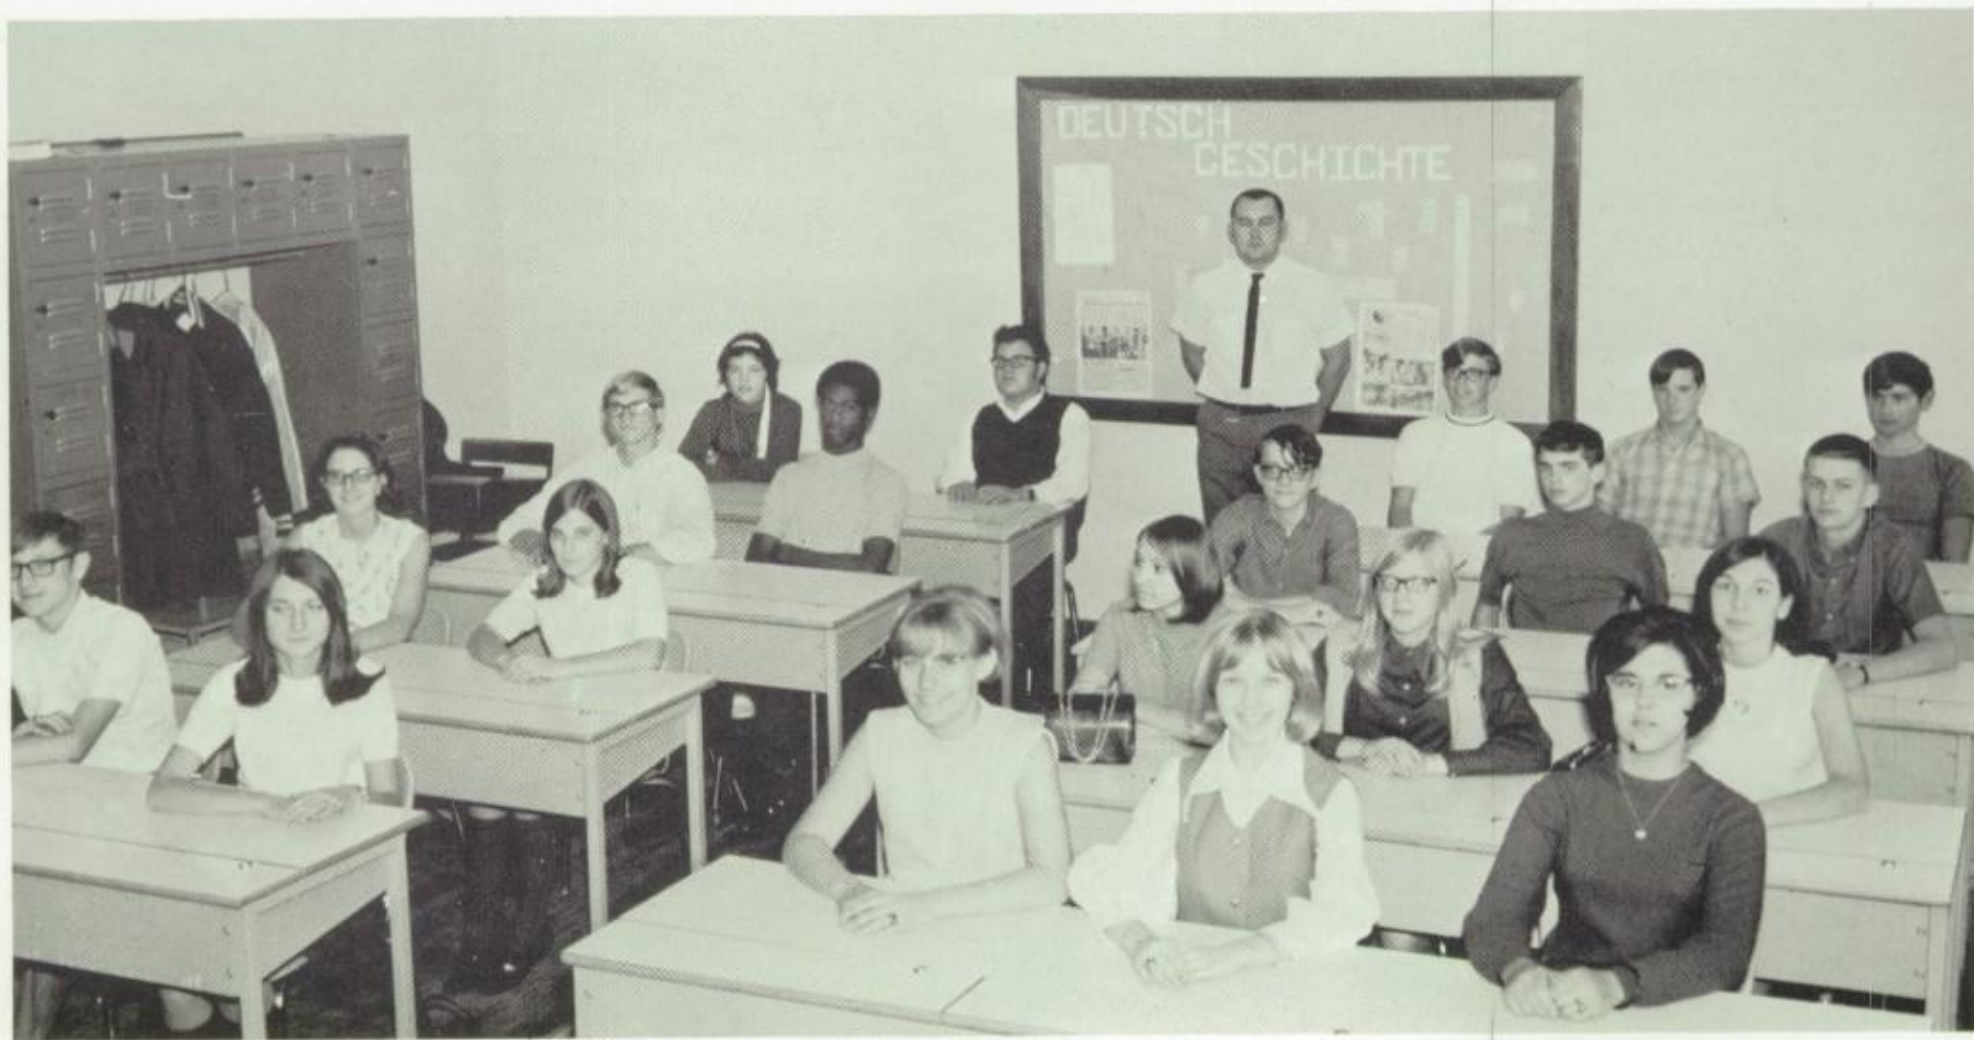

The officers for the 1969-70 school year were as follows:

Spanish Club

An important and active club at A-R was the Spanish Club. The members of the club took an active interest in the Spanish language, customs, heritage, and geography. Through correspondence with Spanish speaking people, trips, and discussions the club members moved closer to this Romantic language.

Chorus

A part of the musical section of the school's curriculum is provided by the Apollo-Ridge Chorus. The club hopes to help the student become a worthy citizen by contributing to the musical life of his school and community. This is done by his attending and participating in concerts.

The club, sponsored by Mrs. Vlahos, performs concerts and sends students to county and District choruses. For their fine music and the enjoyment they have given us, we thank them.

The president of the chorus for the 1969-70 school term was Karen McKinney.

Health Careers

The Health Careers Club is for students interested in personal, community, national, and universal health. The club helps the students pursue educational standards and others requirements for planning a career in the various health career fields.

The sponsor, Mrs. Moore, helped the members in their various school and community projects. Last year the members planned small projects and displays for the school. For the big project of the year, the club adopted a needy family in the community and provided them with food, clothes, and toys on special holidays throughout the year.

The officers of the club were:

President: DEBBIE DIXON

Vice-President: JoANN NOGA

Art Honor Society

Membership in this club is honorary and conferred upon those students who have shown excellence in art class, and who have received awards in exhibitions.

The club is sponsored by Mr. Robert Lucas and meets every Wednesday. Activities of the club, aside from art projects, were judging of the Junior High Door Contests, and arranging displays in the art room. The group has had two swimming parties this year.

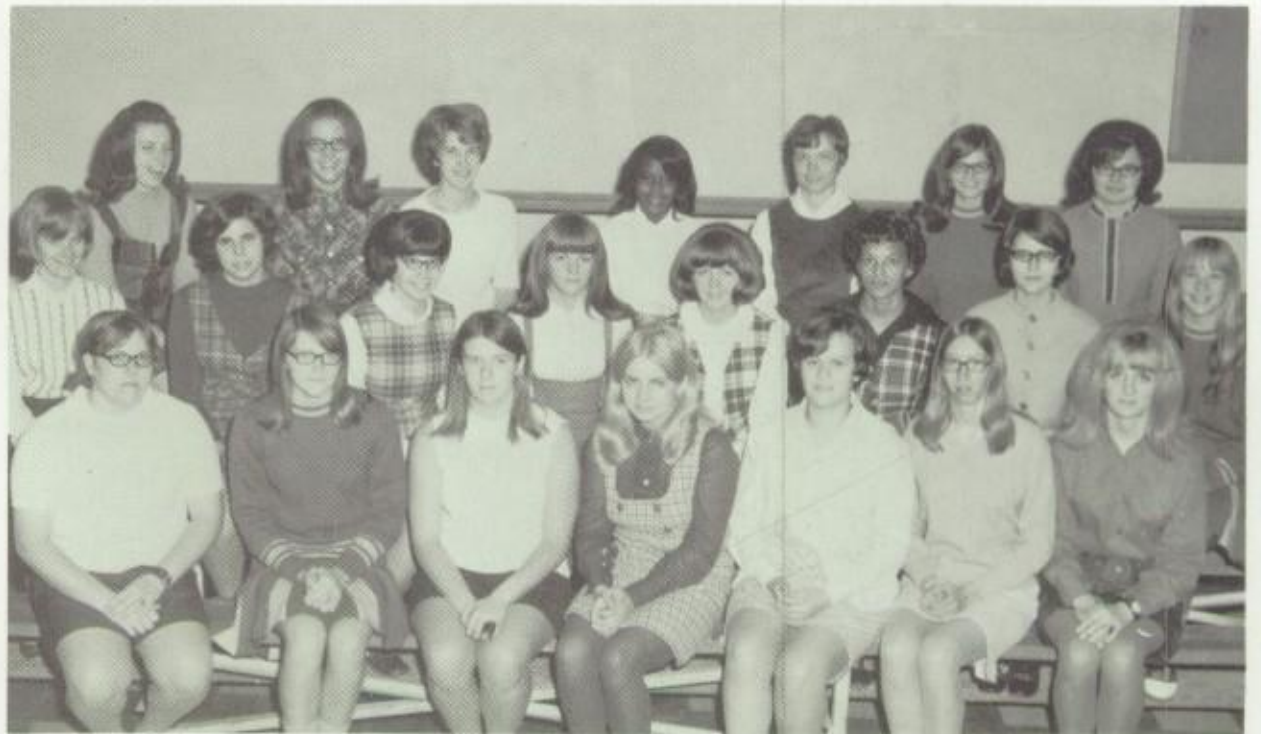

The officers of this club were: Carl Toland, President
Carol Mangiaficio, Secretary.

Pep Club

The Pep Club is made up of the peppiest people at Apollo-Ridge. The club is very active in aiding the cheerleaders at games and at pep rallies. Miss Coulter, the advisor, was kept very busy just by organizing the club and counting all the money from candy sales. Other activities of the Pep Club included making spirit tags and designing bulletin boards. The officers were:

COACHES

A-R fans were not disappointed last year for our football team provided excitement and action for the school's football enthusiasts.

The players and the coaches began their work early. While many students were still enjoying their summer vacation, the football team was practicing every day. These boys knew the importance of being in shape for the long hard season ahead. All of this work paid off in a winning season for the new Apollo-Ridge Vikings.

The season did not begin well for our team, but they recovered quickly and ended the season with a record of 5 wins and 4 losses. We congratulate the 1969-70 Vikings on a winning season.

RON HENDERSON

Under the coaching of Ron Ferrara the first Apollo-Ridge cross country team posted a successful three and three record this fall.

The Vikings finished 12th out of eighteen teams in the W.P.I.A.L. class "B" championships. Ron Henderson placed fifth in the championship race with a time of 14:12, three seconds behind the winning team. This qualified him for the state finals; the only Kiski Valley athlete to do so.

This year the A-R Vikings played in the 19-B section under the first-year coaching of Dan Sekeres. The Vikings had tough competition with teams like Freeport, Shannock, and Dayton. The Vikings had hopes of taking the section this year and they were in the race till the final few games of the season.

A-R went to the Indiana County Tournament at I.V.P. They bolwed out in the first game losing to Blairsville.

Senior standouts were Paul Columbus and Denny Thruston. Columbus was regular at center and he was selected to the Section 19-B All-Star team and the Indiana County team. Thurston was a consistent player and in the final game he scored 39 points, the A-R record. Broach Naylor, a junior, was also selected to the Indiana County All-Star team.

This year's track team held a record of 8 wins and two losses in duel meets, the Indiana County meet, and the Apollo-Ridge Invitational. Under the coaching of Mr. Morgan, Mr. Kolessar, and Mr. Ferrera, the team was a great success. The boys did a good job with Roy Crawford the leading point getter, Gary Deemer the leading fieldman with 66 points and Jim Talmadge who played an important part in the success of the team. There are many positions in track which may be participated in such as the javelin, shotput, triple jump, broad jump, two mile run, and many others. Each boy on the team picks one or two of these positions to work at and excel in. This sport gives each member of the team a chance to develop his own talents and consequently help the team to bring home victories.

As spring arrived at Apollo-Ridge High School this year, everyone turned their attention to things going on outdoors. Our Vikings were no different. Spring is the time of year when baseball becomes important around the school. The baseball team started its training under the management of Mr. Harry Notto and Mr. Walter Bryja.

Before the real competition began the baseball team practiced every night after school to prepare themselves for an action packed season.

Everyone enjoys a baseball game that is filled with excitement and our Vikings supplied us with just that. The boys worked hard to make the season successful and the student body wishes to commend them on a job well done.
